Purpose:

The Four Corners Chapter of Safari Club International (Four Corners SCI) has established the Legacy Project in support of our Mission Statement.

Our Mission is:

- **To promote good fellowship among all who love the outdoors and hunting.**
- **To promote conservation of the world's renewable wildlife resources, recognizing hunting as one of the many management tools.**
- **To educate youth, sportsmen, and the public in the conservation of our wildlife and our forest, which is our natural heritage.**
- **To share our knowledge and hunting experiences among all our membership.**
- **To operate the association as a non-profit organization, consistent with its charitable purposes, while providing enjoyment for our members. Always with the goal of helping to conserve the animals that we love to hunt today, for those who will come to love the sport tomorrow.**

Four Corners SCI, along with the support of Gallegos Ranches, Hodiak Outfitters, Mossy Oak, Legit Outdoors, and MAC Outdoors, is pleased to continue our support of the Legacy Project. This program helps youth become involved in conservation, hunting, and education. The idea is to encourage youngsters to get outdoors, enjoy it, and then pass it on to others, thus establishing a legacy.

We're seeking nominations of boys or girls, who live in the Four Corners area, and want to hunt but need a mentor and a good start. If you know of and would like to nominate a local youth, please fill out the application below and send a short letter describing why the youngster deserves the award.
